

UPS Supply Chain Solutions®
presents the 2nd semi-annual

Supply Chain Virtual Connect

a digital conference experience

Wednesday, September 1, 2021

10 AM – 3 PM US Eastern

Join thousands of supply chain professionals for a day of networking and learning about hot topics in logistics and trade – without any travel barriers!

Hear from companies like yours on how they're navigating 2021 and beyond

Get the latest forecasts on air and ocean freight - when will the market calm?

Build connections and network live with other attendees

Visit the virtual expo booths and have your questions answered by experts

Enter drawings for swag giveaways

Topics Include

Building sustainable & resilient operations

Air and ocean freight market dynamics

Economic forecasts and trends

Trade compliance hot topics

Talent and technology investment

Women in supply chain

eCommerce and fulfillment trends
